DETAILED ACTION

The following is a response to the amendment received on May 31, 2006 which has been entered.

Response to Amendment

Claims 28, 31-35 and 37-56 are pending in the application.

-The 102(b) rejection of claims 28, 29, 35, 40, 41, 51 and 54 has been withdrawn due to applicant amending claim 28 with limitations not disclosed by the prior art of record.

-The 103(a) rejection of claims 31, 37, 38, 42-50, 52-53, 55 and 56 has been withdrawn due to the withdrawal of the 102(b) rejection of claim 28.

-Claims 30 and 34 were indicated as having allowable subject matter.

Allowable Subject Matter

Claims 28, 29, 31, 35, 37, 38 and 40-56 are allowed. All previously withdrawn claims have been rejoined due to the indicated allowance of generic claim 28, therefore claims 32, 33 and 39 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose or render obvious a motivation to provide for:

-(as to claim 28) a six or seven gear transmission having a first and second countershaft wherein a second gear idler wheel situated upon the first countershaft and a reverse gear idler wheel situated upon the second countershaft are both driven by a common fixed wheel and in combination with all the remaining limitations of claim 28. Only the claim taken as a whole combination is deemed new and unobvious.

-(as to claim 34) a six or seven gear transmission having a first and second countershaft wherein reduction ratios of different magnitudes are produced from output gear wheels on each countershaft and the distance of the first countershaft from the input shaft is different from the distance of the second countershaft from the input shaft and in combination with all the remaining limitations of claim 34. Only the claim taken as a whole combination is deemed new and unobvious.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
